

Simply ECO2®

Robust and durable dispensers with recycled materials

341212/001

107 RB Sensor Soap dispenser 500 ml
Refill

With a capacity of 500 ml, this versatile soap dispenser is very compact and can easily be placed in any washroom. The pump can efficiently be adapted to the type of consumable (liquid pump, foam pump or spray pump). The refill tank and lid are produced with antibacterial agents to guarantee the best hygiene. It is easy to change from the sensor to the manual version.

- Key locking system

- Ecological: produced with recycled and recyclable material
- Fully recycled cardboard and recycled plastic bags

- Perfect view of the consumable

- LED indicates functioning and batterie level
