

Simply ECO2® Robust and durable dispensers with recycled materials

057934/001

522 SENSOR

No Touch hand paper towel roll dispenser
with sensor

The 522 Sensor hand paper towel dispenser ensures maximum hygiene with its no-touch dispensing system. The delivered paper length can be set to 3 different sizes or to a special automatic delivery mode. The use of recycled materials makes this dispenser a solid sustainable solution. It is easy to switch to manual Straight Cut version (057904/001) and vice versa

- Key locking system - permanent key available

- Paper supports (yokes) can be adjusted without taking the dispenser off the wall

- Perfect view of the consumable

- Ecological: produced with recycled and recyclable material
- Fully recycled cardboard and recycled plastic bags

- Hygienic, no need of manual contact

- Equipped with bubble level for easy positioning

- Rubber feet on the backplate assure the stability on the wall and reduce the noise

- 3 sizes of paper towel length (S,M,L)
Automatic paper towel delivery mode (S,M,L)
